

Re-Entry Plan to Indoor Worship 2021

February 7 – In Person Worship Service

1. WBC will resume our indoor service in the Worship Center on Sunday **February 7 at 10:30**. We invite you to join us for our in-person gathering, but if you are not yet comfortable or unable to meet with us, we encourage you to join us via our website at WBC.Life, Facebook Live streaming, YouTube Channel or on radio at WGOG, 101.7. In this first phase, there will be no Sunday School or Children's Church and Connect Central will not be open.
2. Please worship at home online or through WGOG if you have any of the following:
 - a. Fever of 100 or over
 - b. Cough or sore throat
 - c. Shortness of breath
 - d. Contact within the last two weeks with anyone who has COVID-19
3. Everyone will enter through the sliding glass door in the rear of the building or through the front door. All other doors will be for emergency exit only. There will be one-way foot traffic entering and exiting the building. Six-foot distancing will always be stressed. Please do not stop in the hallway to carry on a conversation.
4. Only the Worship Center will be open. The rest rooms off the children's wing hall and the front lobby will be open. All other areas will be blocked off to manage disinfectant cleaning.
5. Masks must be worn at all times except when seated in the worship center (if you feel more comfortable always wearing a mask, please do so). We request mask wearing while singing. Hand sanitizer and a mask will be made available, but please feel free to bring your own.
6. For the health and love of your brothers and sisters in Christ and our guests, please respect the six-foot spatial distancing of each person's personal space at all times.
7. If there are more than about 90 worshipers, you may be directed to the Fellowship Hall, where the service will be cast live on video.
